CHRIS HEUBERGER / *junior web developer + designer*

I'm seeking an entry-level position as a junior full-stack web developer in an agile environment. Having recently transitioned from graphic design, my goal is to craft intelligent code for exceptional user experiences.

EXPERIENCE

General Assembly / New York, NY
Web Development Immersive / April 2014 – July 2014
- *completed a 12-week full-time development bootcamp that covers a broad range of topics, all with an emphasis on agile methodology*

Art House Co-op / Brooklyn, NY
Curator/Manager, March 2011 – April 2014
- *helped run various interactive, crowdsourced art projects, primarily The Sketchbook Project, a traveling exhibition of books from around the world*
- *oversaw web store and social media content for The Brooklyn Art Library*
- *maintained and curated our collection of over 30,000 sketchbooks*
- *designed brand and promotional materials for new projects and events*
- *coordinated events and served as press contact for special exhibitions*

T Salon / New York, NY
Graphic Designer, October 2009 – March 2011
- *served as art director and marketing director for a boutique tea company*
- *led our brand management as we expanded from New York to Los Angeles*
- *designed catalogs, custom labels, and promotional material*
- *maintained our website and designed email marketing materials*
- *created screen graphics and signage for retail locations and events*

The Madison Design Group / Bethesda, MD
Graphic Designer, October 2005 – September 2009
- *designed various materials for print and web such as identity systems, magazines, brochures, annual reports, invitations, e-newsletters and websites*
- *managed projects and oversaw production for corporate and non-profit clients*

EDUCATION

Virginia Tech / College of Architecture and Urban Studies / Blacksburg, VA
BFA in Graphic Design, Minor in Communication | Graduated May 2005
